As an Analyst, you will work with our Consumer Packaged Goods or Retailer clients to cultivate value-added partnership relationships. The goal is to become the primary and leading source of business insights for Nielsen’s clients.

Working within a team environment, you will add value through a strong understanding of client needs and providing them with the products, services and analytical insights that will help achieve their business goals. The successful candidate will have experience and/or knowledge in working with data and developing Insights.

The ideal candidate will have:

- Post-secondary degree in Business/Commerce, Marketing or related discipline
- Experience with analyzing data and developing insights
- Excellent written and verbal communication skills
- Strong interpersonal and teamwork skills
- Strong client relationship building skills
- The aptitude to look for ways to challenge the status quo
- Ability to multitask, collaborative effectively and ability to problem solve
- Strong technical and data manipulation skills i.e. Excel skills
- Accountable, results driven and open to new ideas and ongoing learning
